Profile

Steel Square is the leading architectural hardware manufacturing company, known for providing elegant hardware solutions of all kinds worldwide. We have maintained a reputation of excellence by providing top quality products. Meeting the needs of our customers by fulfilling their requirements in a timely manner.

Quality is not a pre-requisite but a habit with us. High quality is maintained throughout, starting from raw material to the finished product under the supervision of qualified experts. Our products give a perfect performance in addition to meeting conventional Indian and International standards of quality. We enjoy the trust and support of our countless customers worldwide.

Our commitment to quality and timely deliveries has earned us the goodwill of our clients spread across the length and breadth of the globe.

SSCH - 4001

✧ Zinc Alloy Collection of FOURESS handles is inspired from the majestic forgone days Reflecting the splendors and grandeur of the magnificent past they are crafted to create the same rich elegance with the assurance of modern technological advancement
